PROFESSIONAL OVERVIEW

A Bachelor of Science in Information Technology student with foundational knowledge in web development, programming, and technical support. Skilled in Python, Java, HTML, CSS, JavaScript, and PHP, with strong communication, leadership, and teamwork abilities gained through academic and organizational experiences. Eager to apply technical skills and continuously grow in the IT industry.

TECHNICAL SKILLS

Programming Languages: Basic Knowledge in Python, C++, JavaScript, PHP, HTML, CSS

Software Tools: VS Code, Git, GitHub, Jira, Notion, Figma, Microsoft Office, Google Workspace, Canva, Adobe Photoshop

Databases: Basic Knowledge in Microsoft SQL Server, MySQL

Web Development: Foundational Basic Frontend and Backend Development

Technical Support: Hardware and Software Installation, Troubleshooting, System Support

Software Development: Agile, Scrum, Waterfall, Kanban

CORE COMPETENCIES

- Communication Skills
- Leadership
- Teamwork and Collaboration
- Adaptability and Flexibility
- Creativity and Problem-Solving
- Time Management and Organization
- Customer-Centric Approach
- Critical Thinking
- Fast Learner
- Event Coordination

EXPERIENCES

AUDITOR - VALENZUELA INFORMATION TECHNOLOGY SOCIETY

2025 - PRESENT

- Ensure accuracy and integrity of financial records through regular monitoring and review
- Oversee budgeting processes and expense tracking to support transparent financial management
- Plan, organize, and lead organizational events and activities
- Coordinate logistics and execution of programs to ensure smooth and efficient implementation
- Collaborate with officers and members to achieve organizational objectives

CLASS PRESIDENT - BSIT 3-2

2023 - PRESENT

- Lead and represent the class in academic and organizational matters
- Coordinate with faculty and classmates for announcements and activities
- Organize class events, meetings, and projects
- Promote teamwork and resolve class concerns

PROJECTS

PLV-ALUMNET | Capstone Project

2025 - PRESENT

Project Manager | Quality Assurance Lead

- Led the development of PLV-ALUMNET Alumni Web System, a centralized platform for managing alumni records and improving engagement through structured data handling and web-based access to information and announcements.
- Managed project planning and execution using Agile methodology, coordinated development tasks, and ensured proper system requirements, workflow organization, and quality control throughout the project lifecycle.

TALINO TRACK | IPT 101 Machine Learning & Web System Project

2026

Project Lead | Full-Stack Developer | ML & System Designer

- Led the end-to-end development of TALINO TRACK, a machine learning-based academic performance system that predicts student outcomes (Honor vs Regular) using Logistic Regression, Decision Tree, and a final Random Forest model. Handled data preprocessing, EDA, feature engineering, and model evaluation using cross-validation..

- Designed and built the full system including Flask backend integration, model deployment using joblib, Excel file upload processing, and interactive results dashboard with analytics and visualization.

Curse of Biringan: Clash of Instinct for Survival | Game Project

2025

QA Tester | Quality Assurance Tester

- Performed quality assurance testing for Curse of Biringan: Clash of Instinct for Survival, identifying bugs, gameplay issues, and performance problems to ensure smooth and stable gameplay experience.
- Documented and reported issues with clear reproduction steps and feedback, and collaborated with the development team to verify fixes and improve overall game stability and user experience.

JOMS AND DAVE SAMGYUPSAL | Restaurant Ordering Website

2025

Web Developer | Front-End Developer

- Developed the JOMS AND DAVE SAMGYUPSAL website, an online ordering platform designed to streamline customer ordering and improve restaurant accessibility through a responsive and user-friendly interface.
- Implemented core front-end features including product/menu display, ordering flow, and UI interactions, ensuring a smooth user experience and functional layout for customers placing orders online.

EDUCATION

PAMANTASAN NG LUNGSOD NG VALENZUELA

Valenzuela City, Metro Manila

Bachelor of Science in Information Technology
2023 - Present

- Dean's Lister

LINGUNAN SENIOR HIGH SCHOOL

Valenzuela City, Metro Manila

Senior High School Diploma in Accountancy, Business, and Management
2021 - 2023

- Graduated with Honors

LINGUNAN NATIONAL HIGH SCHOOL

Valenzuela City, Metro Manila

2017 - 2021

- Graduated with Honors
